Sir:-

S.E. - 6 - 7 - 11 - W 4th M.

I beg to acknowledge the receipt of your letter of the 8th ultimo, on behalf of Mr. Oil ie, and in reply to say that instructions were given on the 15th of January last, that the land above described would not be disposed of before the 1st of May next.

Instructions were prepared accordingly for the local Agent, but through an error the letter was addressed to Pincher Creek instead of Lethbridge. As a result the Agent at Lethbridge granted entry to Mr. O'Ilie.

As soon as the mistake was discovered, the Agent was advised that Mr. O'Ilie's entry had been granted in error and would have to be cancelled, and the original instructions carried out. The Agent was at the same time instructed to notify Mr. O'Ilie that he might re-enter for any other available quarter section and that he might be allowed to transfer the fee already paid, on making a new entry.

On the 17th ultimo, a cheque for $ 35.00 in Mr. O'Ilie's favour was forwarded to the Agent at Lethbridge for delivery to Mr. O'Ilie.

The Department regrets very much the inconvenience which Mr. O'Ilie has suffered through this mistake, and trusts that the arrangements made for him getting another entry are satisfactory.

Your obedient servant,

Dear Sir: Re: PLAXTON, Frank

File #54-1112

We are endeavoring to establish proof of age for the above applicant for old age assistance.

He has advised us that applied for patent on a homestead presumably in the vicinity of Wainwright, Alta. around 1905 or 1906 and that he obtained his patent some four years later. He states that Plaxonville School now stands on this land and can only recall a portion of the description - Section 16 N.E. ¼ Twp.

Would you kindly consult your records and if you can locate this record, would you advise us the age recorded for him at the time of making application or receiving patent, and the date of your record.

We thank you in advance for your kind cooperation in this matter.

Yours very truly,

D. S. Mackenzie

To the Secretary,

Sir,

20348(6)

I beg to enclose herewith the application of Mr. John Griffin dated 20/12/08 to purchase the S.E.¼ Sec. 28 Tp. 27 Rge. of the 5th. M. to purchase the S.E.¼ or N.E.¼ Sec. 21 Tp. 27 Rge. 5 W. of the 5th. M.

When Mr. Griffin applied for entry he was informed that the land given him by the surveyor (the homestead Indian reserve No. 113a. Sniwan) and the impression that all his improvements would be on the one quarter, but when the land was sub-divided by Mr. D. S. Calvert, D.L.S. the river location was found to be about 1 quarter of a mile out. Thirteen acres of his cleared land would be on the above quarter (N.E.¼). This has very broken in hay and crops and full planted in land.

Owing to this error being one of the original settlers, having a quarter here ready under cultivation, and together with him left to demonstrate the possibility of growing good crops in this vicinity which were reported to be very subject to summer frosts, I would recommend his application to the favourable consideration of the Department.

I have the honour to be,
Your obedient servant,

R. Wochkins

Acting Dominion Lands Agent.

Memorandum:

N.E.¼ 28-81-25,W.5th M.
Application of John Griffin to purchase.
Vacant.

Mr.Griffin squatted before survey on the N.W.¼ of the above section for which land he made homestead entry on the 20th December,1909. Prior to survey he was under the impression that all his improvements were upon the latter quarter section but,when the land was subdivided,he found that he had broken and cropped 18.50 acres on the said N.E.¼.

The preliminary plan only of this Township has been printed but the Surveyor General states that each quarter of Section 28 will contain 160 acres.

The Acting Agent of Dominion Lands at Grouard reports under date the 15th ultimo,in accordance with your directions,as endorsed on my memorandum of the 18th February last,that Mr.Griffin's improvements are situated on the W.½ of the land in question,being about equally divided between Legal Subdivisions 10 and 15. The Agent recommends,in view of the fact that the applicant and his father have resided in the vicinity since 1902,and are demonstrating the possibility of growing good crops,that this application receive favourable consideration.

Dear Sir: File # 2034868

On the 26th August 1910, you wrote to Mrs. R. McFarren, Ferry Point, Alta., under the above file number re the purchase by her of a fractional portion of the North-west ¼ 9-44-18, W 4th, shown in the township plan as covered by water. Mrs. McFarren at that time was not in a position to carry the matter through, but she would now like to complete the transaction, and we are accordingly enclosing an Abstract shown in her deceased husband's name, clear of encumberance, and shall be glad if you will advise what proceedings are necessary to obtain title to the balance of the ¼ section on which Mrs. McFarren has been paying taxes for the past few years. We may say that the land is now, and has been all this season entirely dry.

DOMINION LANDS

MEMORANDUM.

Mr. Hughes.

N.E.¼ 21-27-6-4. 4th M.
Hd. Pte. Gerald Hughes.
(deceased).
Entry granted 15th May, 1915.

The Department of Militia and Defence now officially reports the death in action in this case of #105146, Pte. Gerald Hughes, 5th Overseas Battalion, C.E.F. on the 11th March, 1916. The next of kin is given as "Robert Hughes (father) Gerald, Alberta."

The date of enlistment is given as the 25th November, 1915, but the certificate of enlistment then furnished in which his regimental number was not given he was stated to have enlisted with the 243rd Overseas Battalion on the 25th November, 1916. In a subsequent statement filed the Department of Militia and Defence referred to the 15th (form. 243rd) Overseas Battalion and quoted the regimental number as now furnished in the certificate of death.

The Seed Grain Branch reports nothing owing.

A comparison of the certificate of death furnished with the application for entry and the other papers on file appears to clearly establish the identity of the entrant.

Under the circumstances I would recommend that further action be now taken according to our usual practice with the issue of title in the name of the late entrant.

Memorandum:

Fracl. S.W.¼ of 6--34--17, W. 4th M.
Containing 89.7 acres.
Shown on the sketch attached coloured green.
Not within 15 miles of a railway.

By your letter of the 4th October, 1911, Mr. G.T. Luscombe was advised that he might purchase the parcel in question which then comprised 42.20 acres only, at the then current rate of $3.00 an acre subject to earning title to his homestead, the N.W.¼ of the same Section.

Mr. Luscombe did not avail himself of the privilege and has recently renewed his application to purchase.

In his report of the 9th May hereunder, Mr. Homestead Inspector Woodlock states:

"The said land lies along Long Lake and the water splashing up against the fractional washes away some each years, adjoins entrant on the south and of no use to anyone else, at least Mr. Luscombe is most entitled to it. The land is rolling but can be all broken. I would recommend that Mr. Luscombe be allowed to purchase same at $7.00 per acre."

If a sale is authorised,

Mr.....

H.C. Coté, Esq., I.S.O.,
Controller.

Mr. Luscombe will require to have filed here evidence of ownership of his homestead which was patented in November, 1913.

Sir,

With further reference to your application to be permitted to purchase the fractional S.W.¼ of Section 6, Township 34, Range 17, West of the Fourth Meridian, I beg to inform you that the Homestead Inspector's report called for in connection therewith has been received and it has been decided that it would be inadvisable to dispose of the whole of the said fractional quarter section to you and that you may be permitted to purchase the N.½ thereof, containing 59.8 acres, at the rate of $7.00 an acre.

Before the sale may be carried out, however, it will be necessary for you to have filed here an abstract of title or duplicate certificate of title showing you to be the registered owner of your homestead, the N.W.¼ of the same Section.

The terms of payment will require either the whole of the purchase money to be remitted to the Agent of Dominion Lands, Calgary, to whom a copy of this letter is being sent, on or before a date to be set upon receipt of the required abstract or certificate of title, or one-fourth of the amount within the time specified and the balance in three equal annual instalments with interest thereon at the rate of 5% per annum.

OTTAWA.

Sir,-

I beg to send you herewith a schedule of lands in your district which it is desired to set apart for public shooting purposes. Please make a careful note of this matter in all your records relating to these lands.

The Head Office files relating to the lands are being called for, and you will be further advised in the case of individual parcels if the file shows any other disposition of the land.

If, in any case, you know of any reason why the land should not be reserved for public shooting purposes you should report fully to the Department.

Please report promptly to the Department when you have noted the reservation and checked up the attached list with your records. You should at the same time inform the Department whether there are any lands in your district other than those mentioned in the enclosed schedule which according to your records are being reserved for public shooting purposes.

In reference to the lands in the schedule which are held under entry please note that no further applications are to be received from any person to cancel existing entries. Where notice has already been issued to any registered applicant for cancellation calling upon him to come forward and make entry the right so conferred is not withdrawn, provided it is exercised within the time specified in the notice. Generally speaking this reservation will not be held to take away or impair existing rights on the part of any person by virtue of an application actually made by him or of a notice actually issued to him by the Department prior to the date upon which this reservation becomes effective.

Should any of the land now under other disposition become available by reason of the cancellation of the existing entry, etc., there being no applicant, you should refer here before disposing of the land, mentioning this letter.

Encl.

Your obedient servant,

The Agent of Dominion Lands,
Calgary,

Sir,

Adverting to the Departmental letter to you of the 10th February last, in relation to the application of John Henry Knott for a free grant of Lot No.4, Shaftsbury Settlement, I am directed to call your attention to the fact that the application for the above Lot, enclosed with your letter of the 23rd December last, was signed by John Henry Knott, while the statutory declaration made before the Half Breed Commissioners in 1899, which would appear to refer to the same land, is signed by John Charles Knott, and, according to the statement of claims received by the Surveyor General, the claimant for this parcel is Jack Knott, Junior. In view of the above discrepancies, I am to ask you to investigate and report to the Department in the matter.

Dear Sir:-

Re:-Robert Campbell,
N.W.¼, 32-26-18-W. 4th Mer.,
Provincial Seed Grain and Joint Relief.
Berry Creek Area.

This man obtained advances from the Provincial Government the account of which appears hereunder:-

$ 52.43
$219.66.

.....

He obtained these advances on the security of the above described quarter section. He did not have title to this property which was his unpatented homestead. He abandoned the land some five years ago and his entry has been cancelled.

The property is in the Berry Creek territory and will not be subject to re-entry. It will be treated with in approximately the same manner as are the lands in the Tilley East Area, and retention of the liens against the land will only prove a source of embarrassment to the administration of the area. I recommend therefore that all charges held against this land be withdrawn.

After having abandoned his land and disposing of his chattels by private sale the debtor left the Country and was last reported to have been operating a rooming house in Calgary. He made a failure of this later business venture and at last report he was subsisting on Relief allowance in the City of Calgary.

There is not even a slight hope that any part of this account will be collected and I recommend therefore it be written off the Departmental records in its entirety.

Re:-Robert Campbell,
N.W.¼, 32-26-16-W. 4th Mer.,
Provincial Seed Grain and Joint Relief,
Berry Creek Area.

The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that the liens, Provincial and Joint Relief, charged against the N.W.¼, 32-26-16-W. 4th Mer., for advances made to Robert Campbell, be discharged.

The Board submits the report of the Director, Debt Adjustment Act, dated June 9th, 1932, which report gives full details of all liens registered against the said land and states in support of the recommendation:-

1. That at the time the advances were made the debtor held homestead entry to said land but did not complete his duties and his entry thereto was cancelled some years ago and this quarter section is now vacant Crown land.

2. That by an enactment of the 1932 Session of the Legislature arrangements have been made to establish an area similar to that now known as the Tilley East Area and that this quarter section is included in the proposed area.

3. That the lands included in said area will be handled in the same manner as the lands in the Tilley East Area, and will not be offered for entry or sale, but will be available only under lease for grazing purposes.

4. That taking into consideration the nature of the land and its location it is desirable that the liens be discharged without consideration.

5. That after abandoning his land the debtor moved to Calgary, and when last heard of was in receipt of Indigent Relief from the City of Calgary, and there is no possibility of making any collection under his personal covenant.

.....

[illegible]

The Board therefore recommends that all liens be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

Chairman, Seed Grain & Relief Adjustment Board.

Member, Seed Grain & Relief Adjustment Board.

The Minister of the Interior,

Memorandum:

Referring to your memorandum of February 20 with letter of February 3 from Mr. Harvey A. Burt on file 2035266 herewith, it is suggested that the area indicated on the accompanying sketch of the southwest quarter of section 30, township 33-14-4 would be satisfactory to Mr. Burt.

The addition of the southeast quarter of the northeast quarter of legal subdivision 3 and the southwest quarter of the northwest quarter of the same legal subdivision to the area shown on the sketch submitted to Mr. Burt with your letter of 9th January would include practically all the land for which he wishes patent as indicated by his letter.

TO THE GARDEN:

Re S.E. 30-55-14 W. 4th Mer.

This quarter section comprises 159 acres according to the township plan, and was entered for as a pre-emption by Harvey A. Burt in January 1918.

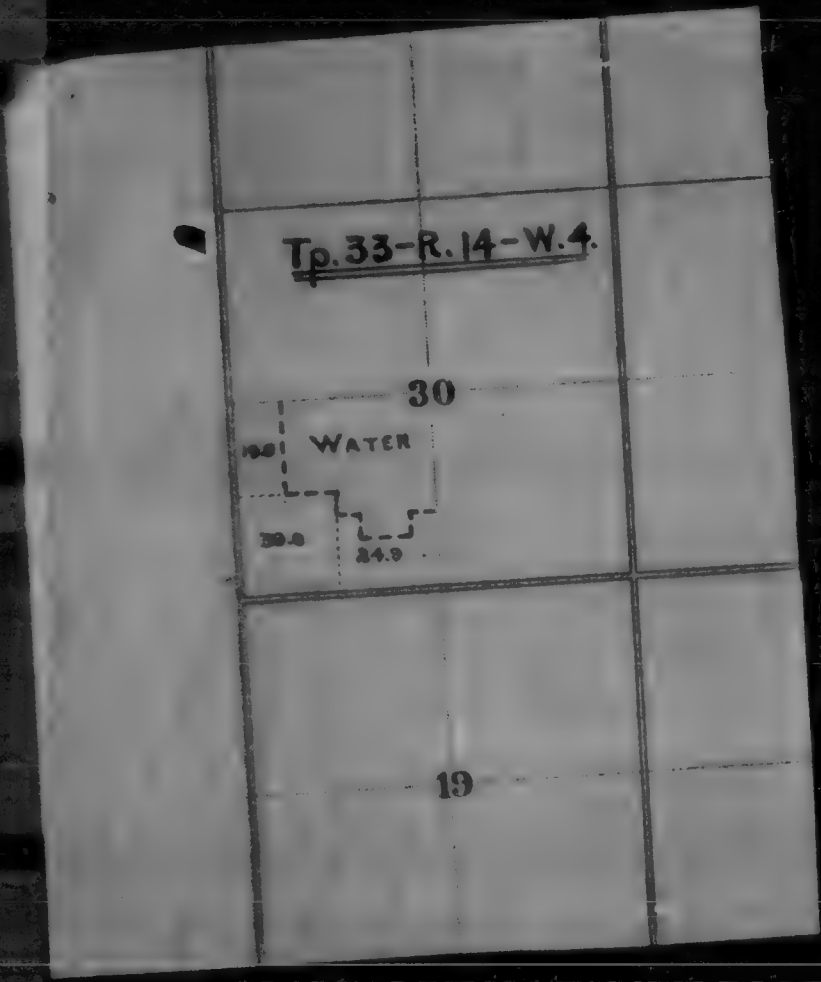

Mr. Burt has stated that the quarter section has been half submerged since he entered therefor, and naturally he does not wish to be called upon to pay for the full quarter section.

The attached sketch based on information furnished by the Surveyor General's office shows approximately the area of the quarter section covered by water according to a rough sketch made by Mr. L. C. Cowrer, D.L.S., a few years ago.

I see no objection to Mr. Burt's pre-emption being confined to the 84.6 acres indicated on the sketch, that is to Legal Subdivision 4, the West Half of Legal Subdivision 5, the South Half, the South East quarter of the North East quarter and the South West quarter of the North West quarter of Legal Subdivision 3. These portions would include practically all the land which he wishes to secure according to his letter of the 2nd ultimo.

Memorandum:

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re: John Forward,
N.E.¼ 35-27-14 W.4th M. (S.G.)

The above-described land is the unpatented soldier grant of this settler.

Subsequent to the initial loan approved in his favour on the 6th August, 1919, the settler secured advances from the Board totalling $1327.57, as follows: stock and equipment, $1091.92; permanent improvements, $235.65. As security the Board holds a charge on the settler's soldier grant. The only other land security held by the Board in this case is a first mortgage on the S.E.¼ 35-27-14 W.4th M., the settler's former homestead.

The Board is informed that the settler hascompleted the duties in connection with his soldier grant, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Acting Commissioner of Dominion Lands to the settler, dated the 8th July, 1929.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1821, enable the Minister, on completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the N.E.¼ 35-27-14 W.4th M. be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Soldier Settlement Act, as $1537.45 of the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of entry for his soldier grant.

A Vesting Order for signature is attached hereto.

DOMINION LANDS ADMINISTRATION

Memorandum:

Mr. Perrin.

N.E.¼ 35-27-14 W.4th M.
S.G. - John Forward.
Entry granted - 7th August, 1912.

Application to have patent for this land vested in the Soldier Settlement Board under the Order-in-Council of the 4th June, 1921. (P.C.1821).

This entrant has obtained advances from the Soldier Settlement Board amounting to $1327.57 for stock, equipment and permanent improvements. In addition to the above land the Board holds a first mortgage on the S.E.¼ 35-27-14 W.4th Meridian, the settler's patented homestead.

The entrant has applied for patent claiming duties as shown on form #58A hereunder. Apparently the duties have been performed in a satisfactory manner and the application has been accepted, but in view of the above mentioned loan he was advised that patent could not issue in his name until his indebtedness to the Board was paid in full.

In a memorandum hereunder dated the 21st August last the Soldier Settlement Board reports the receipt of an application from the entrant to have patent for this land issued in favour of the Board. It is stated in the memorandum that the request for title is not affected by the recent amendment to Section 26 of the Soldier Settlement Act, as the advances were approved and made to the settler subsequent to his having obtained entry to the land in question.

It is stated in the Vesting Order that the settler is residing on the land.

It is suggested that the necessary action be taken to have patent for this land issue in the name of the Board.

AND WHEREAS, pursuant to an application made by the said John Forward who is residing on the said land, the Soldier Settlement Board of Canada has requested the Minister to transfer the said land to the Board to be dealt with by it in accordance with the regulations approved by the Governor in Council on the 4th day of June, 1921, P.C.1821;

Pre-emption Robert Benjamin McKinnon,
(deceased soldier).

According to a computation prepared by your Branch on the 26th February 1919, the estate of the late Mr. McKinnon is being charged for the full theoretical area of one hundred and sixty acres.

Under the circumstances I beg to draw your attention to the fact that shortly before he proceeded overseas the late Mr. McKinnon relinquished two acres of the quarter section in favour of Margrave School District No. 2936, for which Letters Patent issued on the 29th September 1916.

In view of this action should not the estate of the late Mr. McKinnon be required to pay pre-emption dues on one hundred and fifty acres only? If so, would you please furnish this office with a statement of the amount of the purchase price with interest.

Tax Recovery Act; no other encumbrances.

In view of the failure of the executor of the estate to defend the entry, of the poor quality of the land and the amount due on the purchase price, and also for taxes, I assume that the estate would consider it a poor investment to sink any money in the land.

I recommend cancellation and that the land be posted for leasing for grazing purposes. Area "A".

MEMORANDUM:

Mr. Hume.

S.E.¼ 17-13-10-W.4th Meridian,
Pre-emption - R. B. McKinnon, deceased,
Date of entry - 10th January, 1911,
Homestead patented - 21st December, 1920,
to the executor of the Estate, Arthur George Browning, Alberta Returned Soldier Commission,
Certificate of Recommendation issued in connection with the pre-emption entry to the executor of the estate expired 20th June, 1923.
Cancellation proceedings outstanding.

The Certificate of Recommendation was returned by the executor of the estate with a request for its renewal before its operation had expired and the certificate was returned to him, explaining that if it were not the intention of the estate to mortgage the land it would be unnecessary to have it extended, and that if further time to pay for the land was desired, the Department would deal with a request therefor. Nothing further has been heard from the executor.

Inspector Nurcombe reported, 25th June, 1924, that there are no improvements on the pre-emption, the land is rolling, rough and stony, unsuitable for agricultural purposes or as a stock homestead, value $6.00 per acre.

Proceedings were commenced against the entry for non-payment on the 21st August, 1924.

The amount due on the pre-emption with interest to the 1st November, 1924, is $731.75.

No defence has been filed.

The Registration Abstract dated 23rd October, 1924, records the filing of a caveat under the

.....Tax.....

It has been decided to allow the estate until the 1st April, 1925, to report to the Agent of Dominion Lands at Lethbridge whether it is the intention to secure the issue of title.

If the Agent does not hear from the estate by the time specified, the entry will be cancelled.

Patent was issued in the name of R.B. McKinnon for the S.W. 17-13-10-W4 on the 21st of December 1920, subject to the 1915 liens. The S.E. 17-13-10-W4 was formerly the pre-emption of the debtor whose entry was cancelled on the 9th of September 1925 and the land is still Crown Land held in the right of the Province.

In 1927 the S.W. 17-13-10-W4 became subject to forfeiture proceedings for nonpayment of arrears of taxes and title reverted to the Crown in the right of the Province.

In reply to our questionnaire of the 22nd of November 1952, V.A. Wood, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"Kindly be advised that this half section comprises part of the land held under Grazing Lease No. 38046 by George W. Murray, Sr.: Mack Higdon Murray and George W. Murray, Jr. all of Medicine Hat, Alberta. The lease does not expire until January 1st, 1966.

According to an inspector's report on file this land can only be considered suitable for grazing purposes and it is unlikely that it will ever be used for any other purpose."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

Re NW¼ 6-13-15-W.4th M.

I beg to inform you that evidence has been filed in this Department that the lien for $21.00 and other liens amounting to $39.40 given to His Majesty in the right of the Dominion of Canada by L. McKinnon of Carlstadt in connection with the NW¼ 7-13-15-W.4th Mer. have been improperly registered in the Land Titles Office against the NW¼ 6-13-15-W.4th Mer. formerly owned by L.J.McKinnon of Taber, Alta. and sold by him to one J.S. Severnum; that the said L.J.McKinnon of Taber did not obtain any advance of seed grain, fodder or other relief from the Dominion Government, and that the said liens illegally cloud the title to the last mentioned land.

You are, therefore, hereby authorized and requested to remove the liens for $21.00 and $39.40 from the North-west quarter of Section 6, Township 13, Range 15, West 4th Meridian.

A copy of this letter is being sent to Mr. C.F.Podoll, Retlaw, Alta., who has written to the Department in this case.

Kindly advise me of the action you may take in this matter.

Re: Account of L. McKinnon (deceased)
N.E. 7-13-10-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain, fodder and relief amounting to $120.60 were advanced to L. McKinnon on the security of the above mentioned land. A payment of $136.80 was received in 1918 and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 3.15	$ 5.33	$ 8.48

The N.E. 7-13-10-W4 was formerly the purchased homestead of the debtor whose entry was cancelled on the 9th of September 1925 and the land is still unalienated Crown Land held in the right of the Province.

In 1918 the account amounted to $139.95 at which time a payment of $136.80 was received. A balance of $3.15 has since remained as a charge against the land.

In view of the small amount outstanding it is recommended that the balance of the indebtedness be cancelled.

Comptr. A.F.L. Letter dated 1st inst. 13277-C. W.

Sir,-

I have your letter of the 27th ultimo furnishing a description of the land held under entry by the late Robert Benjamin McKinnon who was killed on active service in France together with the copy of the will executed by the deceased, and might advise you that the Department in cases of this kind does not call for any duties, but is prepared to issue patent either in the name of the deceased or the legal representative.

As the deceased left a will, it is assumed you will have the will probated and fyle a duly certified copy in the Department, in which event patent could issue in the name of legal representative. The Department is of course, as above stated, prepared to issue patent in the name of the deceased and forward it to the Registrar, when it will then rest with the heirs to satisfy the Registrar that they are the proper persons to receive Title.

I am returning you said will, as it is of no use to the Department and you might in the meantime advise the Department as to whether it is the desire to delay action until you fyle certified copy of Letters probate or whether you would like the matter gone ahead with and patent issued in the name of the deceased.

3 Encs.

Payment in full in respect to the pre-emption quarter section will of course require to be made, but on receipt of Letters of Administration, the legal representative can make application to the Agent of Dominion Lands at Lethbridge and receive a certificate of recommendation. Full information in this respect will be found on page nineteen of the enclosed Handbook under the heading "Certificate of Recommendation.

I am also in accordance with the request returning you the letter of the 13th June, 1917, from Capt. & Chaplain F. F. Murray.

I might also state that steps are being taken to obtain from the Militia & Defence a certificate in reference to the enlistment and death of the late Robert Benjamin McKinnon.

Re S.E. 1/4 17-13-11-W.4th M.
Pre-emption Robert Benjamin McKinnon,
(deceased soldier).

According to a computation prepared by your Branch on the 26th February 1919, the estate of the late Mr. McKinnon is being charged for the full theoretical area of the hundred and sixty acres.

Under the circumstances I beg to draw your attention to the fact that shortly before he proceeded overseas the late Mr. McKinnon relinquished two acres in the quarter section in favour of Sarrave School District No. 2330, for which Letters Patent issued on the 29th September 1916.

In view of this would not the estate of the late Mr. McKinnon be required to pay pre-emption entry for one hundred and fifty-eight acres only? If so, would you please transmit this office with a statement of the amount of the purchase price with interest.

I beg to acknowledge the receipt of your letter of the 21st ultimo, returning a notice of payments due in connection with this pre-emption and advising the Department that the Soldiers' Estates Branch has been permanently closed.

In this connection I am to point out that a certified copy of Letters of Administration for the estate of the above named deceased soldier was filed here in November, 1920. This document gave your name as administrator and patent for the above named deceased soldier's homestead, the S.W. quarter of section 17, issued in your name.

With regard to the pre-emption it may be pointed out that as the heirs are not in a position to complete the payments you could dispose of this quarter section by securing a certificate of recommendation. This certificate would issue in your name and would enable you to mortgage or assign the land while it was in force.

Will you kindly acknowledge this letter and advise the Department of your intentions with regard to this pre-emption.

Payment should be made at the office of the Agent of Dominion Lands at [illegible] to whom a copy of this letter is being sent for his information. When payment is made by cheque, such cheque should be first accepted by the bank, and made payable at par to the Agent of Dominion Lands.

Section 10, Chapter 19, Statutes 1918, provides as follows:—

> 10. Subsection three of section twenty seven of the said Act, as enacted by section three of chapter twenty seven of the statutes of 1914, is amended by adding the following proviso thereto:
>
> Provided also that on the completion of the requirements under this section for obtaining letters patent for a pre-emption other than the payment for the same in the manner aforesaid, an application for letters patent may be made without immediately tendering payment in full, and in such a case the holder of the entry may on application to the Minister receive a certificate of recommendation in the Form "J" in the schedule to this Act, countersigned by the Commissioner of Dominion Lands, setting forth that if within the period of time during which the certificate of recommendation is in force payment is made in full of the purchase price of the pre-emption together with accrued interest, letters patent shall issue in the name of the holder of the entry, and such certificate shall entitle the holder of the entry during such period of time to mortgage, assign or transfer his interest in the land with respect to which the certificate of recommendation is issued; provided that **at the expiration of one year from the date of the issue of such certificate of recommendation the same shall become null and void,** but the operation of it may be extended in the discretion of the Minister.

Section 12 of the same Act makes a similar provision in reference to purchased homesteads.

I am in receipt of your letter of the 18th ultimo asking for a renewal of the Certificate of Recommendation issued in connection with the above pre-emption.

The Certificate remains in effect until the 20th June, 1918 and unless it is your intention to sell the land or mortgage it, the renewal of the Certificate would answer no good purpose.

If you will return the Certificate after it's expiration will have ceased and inform the Department what your intentions are with regard to the land, the question of renewing the Certificate or granting a further extension of time within which to pay for the land will receive the most favourable consideration possible.

Cancellation proceedings outstanding.

The Certificate of Recommendation was returned by the executor of the estate with a request for its renewal before its expiration had arrived and the certificate was returned to him, explaining that if it were not the intention of the estate to mortgage the land it would be unnecessary to have it extended, and that if at a later time to pay for the land was desired, the Department would deal with a request therefor. Nothing further has been heard from the executor.

Inspector Ferguson reported, 25th June, 1924, that there are no improvements on the pre-emption, the land is rolling, rough and stony, unsuitable for agricultural purposes or as a stock homestead, value $6.00 per acre.

Proceedings were commenced against the entry for non-payment on 31st August, 1924.

Re: Account of R.B. McKinnon
S.E. 17-13-10-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain and fodder amounting to $72.65 were advanced to R.B. McKinnon on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 72.65	$ 134.38	$ 207.03

Patent was issued in the name of R.B. McKinnon for the S.W. 17-13-10-W4 on the 21st of December 1920, subject to the 1915 liens. The S.E. 17-13-10-W4 was formerly the pre-emption of the debtor whose entry was cancelled on the 7th of September 1925 and the land is still Crown Land held in the right of the Province.

In 1937 the S.E. 17-13-10-W4 became subject to forfeiture proceedings for nonpayment of arrears of taxes and title reverted to the Crown in the right of the Province.

In reply to our questionnaire of the 22nd of November 1952, V.A. Wood, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"Kindly be advised that this half section comprises part of the land held under Grazing Lease No. 33046 by George W. Murray, Sr., Mack Higdon Murray and George W. Murray, Jr. all of Medicine Hat, Alberta. The lease does not expire until January 1st, 1966.

According to an inspector's report on file this land can only be considered suitable for grazing purposes and it is unlikely that it will ever be used for any other purpose."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

Entry granted 29th December, 1910.
Improvements started.

Mr. Eyles has made application for patent for his pre-emption, claiming that the required duties have been satisfactorily performed and he was accordingly issued with a Certificate of Recommendation dated the 2nd August, 1913. This document has expired and has not been returned to the Department.

On the 9th October last, Homestead Inspector Closkey reported that he does not think this man intends to do anything with this land and all the breaking has gone back to weeds. He recommends that the entry be cancelled.

Cancellation proceedings were instituted by the Department on the 21st November last and the Agent now forwards an Abstract of Title showing that the only registration is a seed grain lien in favour of the Municipality amounting to $[illegible] and interest at 7% from the 1st May, 1920. Mr. Eyles is indebted to the Department for seed grain amounting to over $[illegible].

I would recommend that his entry be cancelled and the Homestead Inspector requested to furnish the usual report.

Memorandum:

Request for transfer of Dominion Lands under Section 27 of the Soldier Settlement Act.

Re: D. Staniforth,
N.W.¼ 10-12-2 W.4th - Fsd.
N.E.¼ 10-12-2 W.4th - S.C.

The above described lands were secured by this settler under homestead and soldier grant entries. The settler has made default in the terms of his agreement with the Board andabandoned the land. His agreement has been rescinded.

The settler was established with a loan in April, 1919, and in due course secured advances from the Board amounting to $3,158.61, as follows: permanent improvements, $577; stock and equipment, $1,618.88; special advances, $962.73. As security the Board holds a charge on the settler's homestead and soldier grant. There is no other land security in this case.

This settler was greatly handicapped on account of climatic conditions, which resulted in repeated crop failures. The question of moving into a better district was discussed with the settler, but as he had obtained a permanent position in the city he would not consider being established on a new farm. The settler's agreement to the Board was rescinded pursuant to a Quit Claim Deed executed by him in October 1924.

The settler's indebtedness amounts to $3,519.21. The homestead was appraised in November, 1924, at $305. The soldier grant was appraised at that time at $1,630. No arrangements have been made for the disposal of this land and no offers have been received. This half section is situated in the dry area of Southern Alberta, and is now only a poor pasture proposition.

The land in question being charged land within the meaning of Section 27 of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of his agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the above land be forfeited and the said right, title and interest of the settler and also the right, title and interest of His Majesty to and in the said charged land be vested in the Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to his entry for his homestead and soldier grant, the latter quarter-section being his former pre-emption entry.

A Vesting Order for signature is attached hereto.

Entry granted - 25th July, 1913.

Application to have patent for this land vested in the Soldier Settlement Board under Section 27 of the Soldier Settlement Act, 1919, Chapter 71, 9-10. George V. Salvage case.

This entrant has obtained advances on the security of the above land from the Soldier Settlement Board.

Amount of loan		$3,158.61
Purpose -- Permanent improvements	$ 577.00	
Stock and equipment	1,618.88	
Special advances	962.73	
Amount outstanding		$3,519.21
Estimated sale price		2,535.00
Loss		984.21

The Board holds no other land security in this case.

In a memorandum hereunder dated the 25th June, 1929, the Board reports that the settler was handicapped by climatic conditions which resulted in repeated crop failures. It was suggested that he move to a better district but he had obtained a permanent position in the city and would not consider this. His agreement was rescinded pursuant to a Quit Claim Deed he executed in October, 1924.

The settler's indebtedness amounts to $3,519.21. The homestead was appraised in November, 1924, at $905.00 and the soldier grant at $1,630.00. No arrangements have been made for disposal of this land and no offers received.

The

The land in question being "charged land" within the meaning of Section 27 of the Soldier Settlement Act, and the settler being in default with respect to the agreement made with the Board, it is requested that the right, title and interest of the settler in the above land be forfeited and that same be vested in the Board. A Vesting Order for the Minister's signature is attached.

The Board states that the request for title is not affected by the recent amendment to Section 26 of the Soldier Settlement Act as the advances were approved and made subsequent to the date of entry.

It is suggested that the necessary action be taken to have patent for this land issue in the name of the Board.

DEPARTMENT OF THE INTERIOR

OTTAWA. 24th April, 1924.

Memorandum:

Mr. Hume

S.E.¼ 20-12-2 W. 4th M. Area "A".
Pre-emption - F. L. Wilcox.
Entry granted 3rd January, 1910.

The entrant in this case made application for patent on the 1st March, 1918, claiming sufficient duties completed as shown on Form 58-B (marked).

A Certificate of Recommendation was issued in his favour which expired on the 5th August, 1920. The expired Certificate of Recommendation is on file hereunder. The entrant was granted an extension of time until the 1st November, 1922, within which to make payment.

According to the Patents Branch there is $653.88 due.

Inspector Bowyer reported on the 18th October last that no improvements had been effected on the land, and that the entrant was supposed to be in Medicine Hat.

General Remarks:

"No improvements. Deserted. The entrant is supposed to be working in or near Medicine Hat but I am unable to locate him. Would recommend cancellation."

Cancellation proceedings were instituted against the entry on behalf of the Department on the 15th November last on the grounds of non-payment. No defence has been filed.

The Agent now forwards here an Abstract of Title which shows that a Seed Grain Lien has been registered against the land for $90.00 with interest at 7%.

In view of the evidence furnished by the Inspector in his report referred to above and as the entrant has failed to file a defence, I would suggest that the Agent be instructed to carry out cancellation and to post the land for grazing purposes only provided he is aware of no reason to the contrary.

Sir,-

I beg to acknowledge receipt of your letter of the 2nd instant, and, in reply, it may be stated that Medical History Sheets with reference to the marginally noted soldier were forwarded to the Board of Pension Commissioners of Military District No. 10, on the 27th May, 1919, and have only recently been returned to these Headquarters.

2. Medical History Sheets show that Private Metcalf suffered from myalgia to left hip and thigh. The place and date of origin was Germany, 1918. Documents show that Private Metcalf was admitted to Field Ambulance on the 2nd December, 1916, suffering from a strained ankle, but re-joined his unit on the 21st December, 1916. He next appears as a casualty "missing after action" on the 13th February, 1917, later reported prisoner of war.

3. According to Private Metcalf's statement given to the medical officers on discharge, he stated that previous to being taken prisoner he was wounded, and on discharge Medical History Sheets show that the marginally noted soldier stated that he suffers much pain over hip and thigh when walking.

Memorandum:

Mr. Hume:

N. W. ¼ 3-27-6-W. 4th M.
Homestead of Matthew Metcalf.
Entry granted 30th June, 1914.
N. E. ¼ 3-27-6-W. 4th M.
Pre-emption of Matthew Metcalf.
Entry granted 25th September, 1915.

Mr. Metcalf enlisted for active service and his entries were protected while he was so engaged.

The Department of Militia and Defence reported on the 30th of June last that the entrant enlisted for active service with the 50th Overseas Battalion, C.E.F. on the 4th of June, 1915, and that he was struck off the strength at Winnipeg on the 13th of May, 1919, demobilization.

As Mr. Metcalf secured entry for his homestead prior to the date of his enlistment the time spent by him on active service could be counted to his credit as residence duties performed. Therefore, he would appear to have completed the residence duties in connection with the homestead. The entrant has communicated with the Department requesting that patent issue for the land without the performance of further settlement duties.

A medical certificate from Captain B. F. Stevens, of the Department of Soldiers' Civil Re-establishment, Calgary, was furnished setting out that this man was unfit for homestead duties. He was a prisoner of war in Germany for 22 months and previous to being taken prisoner he was wounded in the right hip and leg which gives him a great deal of pain, and the nervous system is in such a condition it would be unwise for him to live in loneliness.

The

The Department of Militia and Defence has furnished a certificate which shows that according to Private Metcalf's statement given to the medical officers on discharge, he was wounded previous to being taken prisoner and his medical history shows that on discharge Mr. Metcalf suffered much pain over the hip and thigh when walking.

The case was submitted by Mr. Reynolds on the 22nd ultimo, and the Commissioner gave instructions to call for a copy of the entrant's medical sheet.

The Board of Pension Commissioners has now forwarded here a copy of complete medical precis, part of which reads as follows:-

"Discharged 13th May, 1919. Reason for "award of pension - difficulty in walking due "to neuritis,

"Subjective;- is well developed and well "nourished. Examination;- Complains of tender- "ness over upperpart, right buttock outer aspect. "X Ray report, 16-4-19, no bony lesion seen in "hip joint, normal, no tenderness over the course "of sciatic nerve. Subjective;- states he has "very much pain over hip and thigh when walking. "Pain runs from buttock to knee. Cannot march "two miles or walk two miles.

"Section (b) All other systems normal. "Section 10, History - Wounded and taken "prisoner February 13, 1917. While a prisoner "last spring developed pain in left hip and "thigh. Did light work while a prisoner.

"Section (b) G.S.W. 13-2-19. One right "side small of back, one right hip. Through "and through wound of upper. 1-3. Right leg. "No disability. Sp. left ankle 2-12-16. Spr. "rt. ankle 19-12-16. Influenza 19-12-16. No "disability."

In view of the evidence furnished I would suggest that patent for the homestead be now issued under Section 23 of the Act and that patent also be issued for the pre-emption upon payment of the purchase price in full.

The case is submitted for your consideration.

MEMORANDUM.

I beg to return your reference 10929.

The north west quarter of section 19, township 6, range 12, west 4th meridian, comprising 159 acres, was along with the three other quarters of the same section patented on the 17th February, 1910, to Messrs. Hugh Walker and George T. Walker of Guelph, Ontario. The grant is entered in the departmental records under Alberta Railway and Irrigation Company Sale No. 145.

The patent contains the following reservations:-

"Saving and Reserving, nevertheless, unto "Us, Our Successors and Assigns, the free uses, passage "and enjoyment of, in, over and upon all navigable waters "that now are or may be hereafter found on, or under, or "flowing through or upon any part of the said parcel or "tract of land; also reserving all mines and minerals "which may be found to exist within, upon or under such "lands, together with full power to work the same, and "for this purpose to enter upon, and use and occupy the "said lands or so much thereof and to such an extent as "may be necessary for the effectual working of the said "minerals, or the mines, pits, seams and veins containing "the same; and also reserving thereout and therefrom all "rights of fishery and fishing and occupation in connection "therewith upon, around and adjacent to the said lands, "and also the privilege of landing from and mooring boats "and vessels upon any part of the said lands and using "the said lands in connection with the rights of fishery "and fishing hereby reserved, so far as may be reasonably "necessary to the exercise of such rights."

The usual proviso in respect of the Irrigation Act also appears in the patent.

As you are aware, the expression "Mines and Minerals" appearing in letters patent includes all mines and minerals whether solid, liquid or gaseous.

According to a report obtained from the Mining Lands Branch, no disposal has been made of any of the mineral rights in the said north west quarter of section 19.

The Orders in Council in force in respect of the reservation to the Crown of mines and minerals in letters patent for lands in the part of the country in which the quarter section in question is situate are those dated the 31st October, 1887 (P.C. 1073) and the 17th September, 1889 (P.C. 2167).

Respectfully submitted,

Sir,

I am directed to acknowledge the receipt of your letter of the 23rd ultimo, respecting the applications of the Alberta Railway and Irrigation Company for the issue of a patent in the Company's name for a portion of the N.W.¼ of section 36, township 7, range 17, west 4th meridian, for a road diversion and canal right of way, containing 8.3 acres, and part of the N.½ of section 33, in the same township, for canal right of way, containing 5h.6 acres, and in reply to say that the Department of Justice has advised this Department that until the purchaser from the Company of the lands in question has become entitled to his patent no patent should be issued to the Company without the proviso that the Company shall within fifteen years from the 12th December, 1912, have bona fide sold and disposed of the said lands and that the said lands or any part thereof which has not been so sold at the expiration of the fifteen years shall revert to the Crown; and that if the purchaser from the Company has earned a title to patent then there is no object in putting the proviso referred to in the patent, in which case the patent could be issued to your Company on the ordinary form of patent with the consent of the purchaser

I..

R.H.Wilson, Esq.,
Comptroller,
Land Department,
The Alberta Railway & Irrigation Company,
Lethbridge, Alta.

In view of this opinion it would appear that the proper course to follow in these cases would be to issue the patent in the usual way, upon a requisition to that effect being made to this Department by your Company, direct to the purchaser, who could afterwards transfer to the Company such portion thereof as might be required for canal or other purposes.

Your obedient servant,

Secretary.

MEMORANDUM --- E.O.Cote,

Chief Clerk,

Patents Branch.

With reference to your memorandum hereunder of the 25th ultimo, with regard to the right of way of the Alberta Railway and Irrigation Company through certain lands which are within the tract to be sold to the Company in connection with their irrigation scheme, I beg to say that, while the Company's right to the purchase of the land in connection with their irrigation scheme rests upon the Order in Council and agreement of sale authorized thereby, and if they do obtain the land they will obtain their right of way also, the Company have a right to obtain the right of way, which is separate and distinct from any agreement of sale.

This right of way is provided for by Sec. 29 of the Irrigation Act, a copy of which is attached hereto. By this clause of the Act, any irrigation company has the same rights as a railway to acquire the lands which are required for the right of way of its canal. The company, therefore, would have the right to obtain from the government the land required for its right of way and to obtain a license of occupation therefor. I think there is no question that they have a right to this license of occupation if they insist on it.

They would not, however, have any right to Letters Patent unless they obtain it under the agreement of sale, in accordance with the terms thereof.

I am directed to acknowledge the receipt of your letter of the 11th ultimo, requesting the application of the Alberta Railway and Irrigation Company for the issue of a patent in the Company's name for a portion of the N.E.¼ of section 32, township 7, range 17, west 4th meridian, for a road diversion and canal right of way, containing 8.5 acres, and part of the N.½ of section 33 in the same township, for canal right of way, containing 56.2 acres, and to say that the Company is not entitled to Letters Patent for the land in question, unless they are obtained under the agreement of sale and in accordance with the terms thereof.

I am to point out, however, that the Company has the right to obtain the necessary right of way under the provisions of Section 29 of the Irrigation Act, copy of which is attached hereto. Gentlemen,

Re Pt. N. E. ¼ 32--7--17 W. 4th M.

Replying to your letter of the 3rd instant, No. A.R.I. 266, setting out a further description of the above land, I am directed to say that your request to have it added to the description already prepared cannot be complied with, as there is no plan on file in this Department bearing a certificate of registration "Irr. 125." The description furnished seems to be perfectly clear and correct, and if there is a plan in the Registry Office no doubt the Registrar can identify the land.

Will you be good enough to let the Department have an early reply in the above matter, as the patent for the land will be held until your reply is received.

We beg to acknowledge receipt of your favour of 10th instant File 2035976 in which you state that a patent for the above land is in course in the name of John H. Oldham.

We would point out that your letter gives the area to be patented as eight and two-tenths (8.20) acres whereas the correct area is eight and three-tenths (8.30) acres as per our Request for Patent No. 244 of 29th September, 1910,. We presume, however, this is merely a tophographical error on your part and that patent to be issued will cover eight and three-tenths (8.30) acres in view of the fact that the description prepared by your Department and sent us for approval under cover of your letter of 20th October last gave the area as set out in our Request above referred to.

Kindly advise us if we are not correct in this.

[illegible] - 10th January, 1922.

The Honourable Charles Stewart,
Minister of the Interior,
O t t a w a.

Sir:-

Request for Transfer of Dominion Lands.

Re: Boris Dedeluk - No. 2548.12.
N.E.¼ of 31-26-13-W. 4th M. - Md.

The above named, a former soldier settler, secured advances from the Board for permanent improvements and stock and equipment totalling $1200, the Board taking a charge upon the above described unpatented Dominion Land. Owing to such charge, patent to this land cannot be issued to the settler until his indebtedness to the Board has been fully discharged. On the 16th of December, 1918, the settler, Boris Dedeluk, died and Maria Dedeluk (widow) was appointed by the Courts as his Legal Administratrix. A certified copy of the Order of the Court is attached hereto.

We are now in receipt of an application from Maria Dedeluk requesting that patent for this land issue in the name of the Board. Mrs. Dedeluk states that all duties in connection with this land have been completed and patent therefor would issue were it not for our charge. This is confirmed by the letter from the Assistant Secretary of the Department to Mrs. Dedeluk, dated the 15th of December 1921, copy of which is attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, special regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June 1921 (P.C.1021) which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these regulations, the Board hereby requests that the right, title and interest of His Majesty in the N.E.¼ of 31-26-13-W. 4th M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

CHAIRMAN.

Memorandum:

Mr. Hume.

N.R. T-66-17 W. 4th M.
Homestead - Boris Dedeluk, deceased.
Entry granted, 9th July, 1917.
Application to have patent for this land vested in the Soldier Settlement Board under the Order-in-Council of the 4th June, 1921, (P.C. 1421.)

This entry secured advances on the security of the above land from the Soldier Settlement Board.

Amount:- $200.00
Purpose:- for permanent improvements, stock and equipment.

The entryman died in December, 1919, but his widow has applied for patent claiming duties as shown on form No. 58A, hereunder noted, and a certified copy of Letters of Administration has been filed in which she is named as administratrix. Apparently, the duties have been completed in a satisfactory manner but in view of the above mentioned loan, Mrs. Dedeluk was advised that patent for the land could not issue until the indebtedness against same to the Soldier Settlement Board was paid in full.

In a memorandum hereunder dated the 19th instant, the Board reports the receipt of an application from the administratrix to have patent for this land issue in favour of the Board and it is pointed out in this memorandum that this would enable the administratrix to negotiate a sale of the land. A vesting Order for the Minister's signature is attached.

It is suggested that the necessary action be taken to have patent for this land issue in the name of the Board.

On the 12th May last, the Director of the Reclamation Service advised the Agent of Dominion Lands at Calgary that it had been decided to release the above described lands along with several other parcels from the reservation in connection with the Gough, Farrell and Dowling Lakes Drainage Project.

The Fractional South half of Section 14 lying North of the North shore of Dowling Lake has been patented and it would appear that the remainder of this half-section and also the South half of Section 15 in the same township is covered by the waters of Dowling Lake.

This is shown on the copy of the township plan dated the 28th June, 1909 on file 2038186.

If this is the latest plan of the township I presume no further action is necessary but if a more recent plan has been issued and the plan shows that more of these quarter-section are not covered by water I presume you will take the necessary action to make the land available.

Sir,-

S.W. ¼ of Sec. 14 Tp. 32 Rge. 15 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Leo Chester Doyle, Esq.,
Bowling,

Your obedient servant,

P.S. This letter entitles you to make second homestead entry on any vacant and available quarter-section of Dominion Lands, as pointed out above.

Dear Sir: Re: N.W.¼ 22-70-20 W.6th Mer.
Henry Ropers.
My file 6334.

I am advised by Mr. G. H. Boles, Director of Lands for the Province of Alberta that a man by the name of Henry Ropers completed a squatter's declaration before a surveyor at Beaver Lodge, Alberta on November 29th, 1909 in connection with the above ¼-section of land. Mr. Boles also advised me that this man failed to make entry, and the land was made available again in 1913.

This man is now deceased and there is a sum of money in a certain bank here in Edmonton that his legal representatives wish to claim for his estate. It is extremely important that we obtain a copy or specimen of Henry Ropers' signature and I am advised by Mr. Boles that you have this man's original declaration above referred to, on your file at Ottawa.

Under the circumstances I shall appreciate it very much if you can see your way clear to forward the original squatter's declaration to Mr. Boles, Director of Lands and Mines, Government Buildings, Edmonton so as to make it available for comparison with a specimen signature which the bank in question has on its files.

Thanking you in anticipation of your co-operation and assistance and early reply, I am,

Yours very truly,

Subject:

Mr. Hume,

Application for patent of Mr. Alan Lorin, for the S.W. [illegible] of 33-7-10, West 6th Meridian.

This man has to send his certificate of Naturalization and the Agent recommends the application. Attention is drawn to the fact that the man in his declaration to be considered a squatter before survey states that he had not lived on the land at the time of such statement. It is observed that in answer to question No. 4 he states that he has not previously had a homestead entry and I do not quite see why he should have to live on the land to be entitled to the privileges of a squatter when he has a certain amount under cultivation. It simply means that he desires to obtain an entry for the land when it is in the market and I think the time should count from the date at which he commenced to perform his residence duties.

M. Sparkes.

Under ordinary circumstances I do not think this man could properly be considered a squatter before survey as he had not lived upon the quarter-section claimed by him, but this man was evidently an actual resident at the time of survey and his squatter declaration explains clearly that he had a house and stable, which were found to be on the adjoining quarter-section, and as the survey lines cut up this adjoining quarter very badly the settler decided to make his application for the S.E.¼ of 33. Under the circumstances I see no objection to recognizing him as a squatter at the time of survey.

E. M. Hume.

Re N.E.¼ [illegible]-27-6-W.1st M.

Mr. F. T. Brooks, the homesteader and patentee of the above mentioned land, is applying to acquire the portion which was reserved in the patent as being covered by water of lake No. 1.

A Homestead Inspector's report was called for and received which is as follows:-

"At the time of entry, the portion of land in question was covered by water. This continued for some years. With the cultivation of the surrounding land, the pond has dried up. The centre is now only a few acres of soft mud. It no longer even waters the stock. Most homesteaders have more wet land than this. Mr. Brooks has very large improvements and has resided continuously for years. This report recommends that this portion be added to the homestead."

In view of the above report I would recommend the issue of a supplementary patent to Mr. Brooks for this dried up area containing [illegible] acres upon his filing here an Abstract of Title shewing him to be the registered owner of the patented portion of this quarter section.

We have forwarded matter at this end to the Provincial Government of Alberta who state that they have no files in connection with the petitions issued for these lands, and suggested that as the patents were issued by the Land patents branch of the Department of the Interior at Ottawa, the facts be submitted to you.

We, of course, feel that we must hold to our patented rights from the Crown, but our position is entirely unenviable as others who are in possession and claim their right under patents issued by the Crown also. Incidentally, we have been paying rates for taxation for a number of years.

We shall be glad to hear from you as to the position we must be in as regards possible use particularly with reference to what measures the Government is prepared to take to protect our title which, in addition to the actual patent issued to us, is based on many years occupation prior to it.

Yours faithfully,

Dear Sir:- Re: WHITE MOUNTAIN LAKE POST.

Our title to the above received from you by Patent reads as follows:-

"Lot 13, Group 1, in the Province of Manitoba, in the Province of Alberta, as shown upon a plan of survey of the Hudson's Bay Company's White Mountain Post, White Mountain Lake, signed by George A. Payne, 1908, and approved and confirmed at Ottawa on the 12th day of May, 1911, by Edouard Deville and of record in the Department of the Interior as No.3883, containing forty acres."

This post occupies part of the South-east quarter of Section 31-77-6 W. 4th Meridian, and of the North-east quarter of Section 36 in the same township and range, the line being a part of the boundary between them. The Company operated this post for many years, and, at considerable expense due to the then remoteness of the locality, sent its surveyor, Mr. Gerald A. Payne, who surveyed its boundaries in 1908, his survey being the one referred to in our Certificate of Title. The post survey was not tied in with the township in which it is situated, was subdivided into sections. We are informed that a Mr. Brooks who was occupying the said North-east quarter of Sec.36 at the time the township survey was made, called the attention of the surveyors to the existence of indications of the old Hudson's Bay post, and to the lines cut through the bush marking the boundaries of the post, but his representations were ignored.

In spite of our patent to the above post, records in the Land Titles Office show that the North-west quarter of said Section, not covered by the waters of Lake No.1, was patented through your Department to Brooks in Trouble of Spirit River on the 13th of March 1911, and the South-east quarter of said Sec.31 to Louis Tran. Lands on the 1st of September, 1911. Evidently, there was been a duplication of patents issued for the same land and the latter is further complicated by the fact that both of the said patentees to the quarter-sections mentioned have transferred the said patentees

WINNIPEG,

July 16, 1932.

F.H. Peters, Esq.,
Surveyor General,
Department of the Interior,
Ottawa, Ontario.

Dear Sir,

Re: White Mountain Post - Alberta

We had a Post at the above point, which was closed down some time ago. We have a Title (H B C #4159) in which the description reads as follows:

"Lot 13 Group 1 in the District of Athabasca in the Province of Alberta, as shown upon a Plan of Survey of the Hudson's Bay Company's White Mountain Post, White Mountain Lake, signed by George A. Bayne, 1898, and approved and confirmed at Ottawa on the 13th day of May, 1901, by Ed. Deville and of record in the Department of the Interior as No. 8653 containing 40 acres."

We have a Plan of this Post by George A. Bayne which is not dated, but which gives it as being Latitude 55° 43' and Longitude 118° 52' West.

By reference to Dominion Government Surveys we cannot find that this Post has been tied in. Will you kindly furnish us with two blue-prints of your plan of Survey of this Post referred to in our Title and also a copy of any other plan of the District in which this is situated, which shows the location of this Post thereon.

Yours faithfully,

For the HUDSON'S BAY COMPANY

DEPARTMENT OF THE INTERIOR

TOPOGRAPHICAL SURVEY OF CANADA

OTTAWA. July 30, 1932.

IN YOUR REPLY REFER TO FILE No. 916

W.E. Hobbs, Esq.,
Land Department,
Hudson's Bay Company,
Winnipeg, Manitoba.

Sir:

--- Re: White Mountain Post, Alberta ---

I am in receipt of your letter of July 16th, quoting the description in the title to the above post and asking for two blue-prints of the plan referred to therein and a copy of any other map or plan that shows the location of this post.

The blue-prints have been forwarded under separate cover. The account for them is enclosed herewith.

This post is not shown on any other map or plan for the reason that there is no other reference to a White Mountain lake in the survey records or reports of subsequent surveys nor any tie to the survey of the post nor has any one of our present surveyors heard the name used locally.

I am sorry that we cannot help you to locate this land but I may explain that the Department hesitated for many years to issue title on Mr. Bayne's plans before the adjoining lands were surveyed but finally yielded to the pressure brought by officials of your Company.

A letter just received from Mr. John Harvie, Director of Lands, Edmonton, on the same inquiry states that he has received verbal intimation from one of the members of the staff of the Department of Municipal Affairs that the land in this post is included in the northwest quarter, section 34, township 76-4-6. This would place it on the west side of Kakut lake instead of on the north side of a lake as shown on Bayne's plan and as described in Bayne's description attached to the plan. We have no knowledge that Kakut lake was ever known by any other name than Kakut or Kakoot so the new information is not convincing.

There should be something in the records of the Company that will help in identifying the whereabouts of this abandoned post.

So far as we have been able to ascertain the Battle River post is the only other post in Alberta that is not tied in to subdivision surveys. I enclose a copy of my letter to Mr. Harvie dated 22nd April, referring to this post.

Your obedient servant,

(SGD.) F.H. PETERS
Surveyor General

Encls.

Granting that it may be the same lake it is found that the survey of the northerly one-third of this township was made by J.B. St.Cyr in 1909, but his records do not disclose that he found the Hudson's Bay Company in occupation of any post nor that he found any buildings belonging to the Company. From this it may fairly be assumed that if this be the locality of the post in question it must have been abandoned and possibly destroyed before 1909.

Mr. Hobbs makes reference to an interview of a Mr. Brooks with Mr. St.Cyr at the time of the subdivision. While the report of this interview may be expected to be somewhat sketchy after the lapse of twenty-five years, the files show that the surveyor took the statutory declaration of B.D. Brooks, a squatter on the northeast quarter of section 28--77-6-6 and while the surveyor's field-notes of survey are in Edmonton and cannot be consulted I am advised by Mr. P.N. Johnson, Director of Surveys, that they show two wooden posts twenty chains apart on a north and south line, but situated south of the lake instead of north of it as indicated definitely by Mr. Bayne's plan.

It is evident from the foregoing that there are several points to be more convincingly cleared up before the identity of the land posted by Mr. Bayne is established.

Looking at the matter from another angle, it may be noted that White Mountain lake post is not one of the posts mentioned in the Deed of Surrender and consequently the Hudson's Bay Company had no more rights there than any other squatter upon Crown lands. Mr. Hobbs has stated that the post was abandoned and the evidence seems to indicate that it was abandoned before 1909, that is to say more than four years before Crown grant was issued. In my opinion, had the Department been aware that the Company was not in occupation of the post, no grant would have been made to the Company. So far, at least, as the northeast quarter of section 28 is concerned, Mr. Brooks, the squatter, in 1909 and the homesteader in actual occupation from 1909 to 1912 received Crown grant in 1912. Insofar as the subsequent grant to the Hudson's Bay Company in 1913 may have affected land already granted it is null and void.

If the Company insists upon recognition in the matter, it would seem to be their responsibility to establish their boundaries and their proprietary rights through the proper legal channels. It seems obvious, however, that when a squatter abandons his holdings he has no claim and that if the Crown grant was issued without a proper knowledge of the circumstances, the correct way to clear the records is for the Company to surrender their title.

Memorandum:

Re: Hudson's Bay Company Post
at White Mountain Lake.

Referring to your memorandum of August 22nd on files 2039051 and 2041881 herewith, the location of the above post in its relation to other surveys has not been identified in this Department. The parcel comprising forty acres was surveyed for the Hudson's Bay Company by George A. Bayne, D.L.S. in 1898, before any other surveys in the locality were made. Mr. Bayne shows White Mountain lake on his plan lying to the south of the post, but this is the only mention of this name in our records and the identity of the lake was never subsequently established. Mr. Bayne also shows a dwelling, a stable and a well within the parcel surveyed.

When this and several other of his plans of posts were received in the Department it was noted that the surveys had been made without instructions from the Surveyor General, and upon examination several objections were raised among which was that nothing had been done to identify the lands beyond planting posts at the corners and tying the lots to dwelling houses. Subsequently, the Company was requested to have each block connected to some permanent natural feature of which the position may be readily ascertained, but to this the Company's solicitor replied as follows:- "The Company's posts are now actually occupied by the Company, and the locality is now fixed by the best possible marks, namely those of actual occupation, and the most noticeable and well known land marks in any part of the territories in question are the Hudson's Bay posts themselves". The Surveyor General did not give his consent to the issue of grants based on these plans till after about twelve years of pressure from the Company. This seems to have been a reasonable attempt to prevent the possible overlapping of future grants.

I am enclosing a copy of a letter from Mr. Hobbs dated 16th July, 1932, inquiring about the location of this abandoned post. A copy of my reply is also enclosed to show the uncertainty regarding its location. Since then it is apparent that Mr. Hobbs has concluded that White Mountain lake shown on Mr. Bayne's plan is identical with Lake No.1 on the plan of township 77-6-6 herewith, but he does not offer any evidence to confirm this conclusion.

on Mr. Bayne's plan is identical with Lake No. 1 on the plan of township 77-5-W. 5th M., but does not offer any evidence to confirm this conclusion.

The Surveyor General further declares that granting it may be the same lake it is found that the survey of the northerly one-third of this township was made by J. B. St. Cyr in 1899, but his records do not disclose that he found the Hudson's Bay Company in occupation of any post nor that he found any buildings belonging to the Company. "From this it may fairly be assumed that if this be the locality of the post in question it must have been abandoned and possibly destroyed before 1899". In this connection it is consequently of note that in his letter of the 16th July, 1932, Mr. Hobbs stated "We had a post at the above point which was closed down some time ago".

Respecting Mr. Hobbs reference to an interview of Mr. Brooks with Mr. St. Cyr at the time of the subdivision, the Surveyor General points out that our files show that the surveyor took the statutory declaration of L. D. Brooks, a squatter on the E. 3/2-77-5-W.5th M., and while the surveyor's field notes are in Edmonton and cannot be consulted, Mr. F. W. Johnston, Director of Surveys, advised that they show two western posts twenty chains apart on a north and south line, but situated south of the lake instead of north of it as indicated definitely by Mr. Bayne's plan. The Surveyor General in this connection concludes that from the foregoing there are several points to be more satisfactorily cleared up before the identity of the land noted by Mr. Bayne is established.

It is further pointed out by the Surveyor General that White Mountain Lake post is not one of the posts mentioned in the Deed of Surrender and, consequently, the Hudson's Bay Company had no more right than any other squatter upon Crown lands.

The Surveyor General concludes "that if the Company insists upon investigation in the matter, it would seem to be their responsibility to establish their boundaries and their proprietary rights through the proper legal channels".

Inasmuch as possible boundary disputes in the matter has been conducted by the Surveyor General, and as the questions of boundaries and boundaries are largely involved, I would respectfully suggest that Mr. Peters be requested to prepare a draft form of letter for your signature in reply to the communication of Mr. Hobbs.

and Yukon Branch.

[illegible] petitis and that the matter is further [illegible] of the transfer by the [illegible] of their interest in the [illegible] portions.

It was also further set forth by Mr. [illegible] that he had the matter taken up with the Provincial Authorities of Alberta, who suggested that the facts should be submitted to you. Descriptions of the patents issued covering the parcels in question were furnished the Surveyor General who was asked in my memorandum of the 22nd instant to make any observations in the matter which his knowledge thereof might warrant.

It appears that the matter had previously been taken up by Mr. Hobbs with the Surveyor General in a letter bearing date the 14th July, 1932, wherein the Surveyor General was requested to furnish blue prints of the plan of the survey of the post and a copy of any other plan of the district which might show the location of the post thereon.

In his letter of reply bearing date the 26th July, 1932, the Surveyor General advised that blue prints had been forwarded, under separate cover, adding the White Mountain Post was not shown on any other map or plan for the reason that there is no other reference to a White Mountain Lake in the survey records or reports of subsequent surveys nor any tie to the survey of the post nor has any one of our present surveyors heard the name used locally. It will be observed in this connection that White Mountain Lake is referred to in the description by Surveyor George A. Payne.

The Surveyor General further advised that the Department hesitated for many years to issue title on Mr. Payne's plans before the adjoining lands were surveyed but finally yielded to the pressure brought by officials of the Province's Department.

It was also set forth in the letter of the 26th July, 1932, to Mr. Hobbs that Mr. John Calvie, now Deputy Minister of Lands, Edmonton, writing in the matter stated that he had received verbal information from one of the members of the staff of the Department of Municipal Affairs that the land in this post is included in the Twp. 84-4-4th W. He would place it on the east side of Great Lake instead of on the west side of a lake as shown on Mr. Payne's plan and as described in his description attached to the plan.

I would invite your perusal of the memorandum of the 22nd instant addressed to me by the Surveyor General wherein a comprehensive statement of the whole case is set forth, but [illegible] from that under the receipt by Mr. [illegible] of the Surveyor General's letter of the 26th July, 1932, Mr. Hobbs was [illegible] that White Mountain Lake shown

MEMORANDUM:

Mr. R. A. Gibson,
Acting Deputy Minister.

Re - White Mountain Lake Post,
Your reference - 23066.

In his letter of the 15th instant Mr. W. B. Hobbs, on behalf of the Manager of the Hudson's Bay Company, states that the Hudson's Bay Company's title to the above mentioned Post reads as follows:-

> "Lot 13, Group 1, in the District of Athabasca, in the Province of Alberta, as shown upon a plan of survey of the Hudson's Bay Company's White Mountain Post, White Mountain Lake, signed by George A. Wayne, 1898, and approved and confirmed at Ottawa on the 15th day of May, 1901, by Edouard Deville and of record in the Department of the Interior as No. 8838, containing forty acres".

Mr. Hobbs further sets forth that this Post comprises parts of the SE. 30-77-6-W.6th M., and of the NE. 25 in the same township and range, together with a part of the road allowance between the said quarter sections. It is further set forth that the Company operated the Post for many years, and, at considerable expense due to the then remoteness of the locality, sent in a Surveyor, Mr. George A. Wayne, and that the post survey was not tied in when the township in which it is situated was subdivided. It was further represented that one Mr. Brooks who was occupying the said NE. of Section 25 at the time the then survey was made, called the attention of the Surveyor to the existence of initialled of the Old Hudson's Bay Post and to the lines cut through the bush marking the boundaries of the post, but that his representations were ignored.

Letters patent were subsequently issued for the quarter sections above described and Mr. Hobbs represented further that there had been a duplication

OFFICE OF SOLICITOR

OTTAWA September 10th, 1934.

MEMORANDUM:

R. A. Gibson, Esq.,
Assistant Deputy Minister,
Department of the Interior.

I am in receipt of your memorandum of the 4th instant and, as instructed, have referred to the letter dated the 15th ultimo from the Hudson's Bay Company; a report prepared by the Surveyor General dated the 27th idem and a report dated the 30th of the same month submitted by Mr. J. Lorne Turner in connection with the apparent overlapping of title covering the White Mountain Lake post of the Hudson's Bay Company and the S.E.¼ 33 and N.E.¼ 28-77-6 W. 6th M.

Mr. Peters, Surveyor General, points out with respect to the Hudson's Bay claim for its post at White Mountain Lake, Alberta, that the location of this post, in its relation to other surveys, has not been identified in this Department, and through the early survey by George A.Bayne in 1898 and the subsequent survey, the question of this parcel of land has become extremely complicated.

In view of all the circumstances, and in view of the fact that patent was issued to the Hudson's Bay Company through pressure by it on the Department over a period of 12 years, this is a question which the Company should, if it insists upon recognition in the matter, establish its boundaries and its proprietary rights through the proper legal channels. The Company should take this matter up with the authorities of the Province of Alberta as there is no legal authority for the Crown in the right of the Dominion intervening in a matter of this kind since the transfer of the Natural Resources to the Province of Alberta. I have discussed this with Mr. Plaxton of the Department of Justice and he too holds to this view.

Copy for Mr. Turner.

Dear Mr. Hobbs:

In your letter of the 15th ultimo, you asked what action this Department was prepared to take to protect the title which your Company holds to the White Mountain Lake Post in the Province of Alberta. After careful review it would appear -

1. That the establishing of the post boundaries in relation to the subdivision survey of the township is a matter that should be looked after by the Company itself;

2. That since the transfer of the natural resources to the Province of Alberta there is no legal authority for the Crown in the right of the Dominion intervening in a matter of this kind.

It is noted from your letter that you have been in touch with the Provincial Authorities who stated that they have no files in connection with the patent issued for the White Mountain Lake Post and the patent with which it seems to conflict. We will be glad to loan our files for these lands to the Province should they wish them on the usual conditions.

Yours very truly,

Assistant Deputy Minister.

Memorandum:-

Referring to your memorandum of March 20, on file 2039608 herewith, we have checked the area of the bed of Clearwater river in the northwest quarter of section 12, township 38, range 7, west of the 5th meridian, and find that when it is added to the land areas to the east and west of the river, the total is correct for the whole quarter section. The surveyor's records have been transferred to Edmonton but it is impossible that the discrepancy complained of could happen in preparing the official plan.

Granting that the homesteader is able to make reasonably accurate measurements on level ground it may be pointed out that the river is in a deep valley and it is quite possible that the area measured was the part lying east of the edge of the valley. Whereas the area on the official plan extends to the highwater mark of the river and includes the broken hillside of the valley which would be difficult for the average person to measure accurately.

If measurements were accurately made to the bank of the river, it would indicate that the river had changed its position since the survey, which is not probable in the valley indicated on the plan.

DOMINION LANDS ADMINISTRATION

25th March,1933

Sir,

Tp. 38-7-W.5th M.
N.W. 12 East of River - area 76.40 acres
N.W. 12 West of River - area 61.30 acres.
Patented 23rd March,1910.

In further reference to your letter of the 22nd ultimo I beg to say that the area of the bed of Clearwater River in this quarter section has been carefully checked and it has been found that when it is added to the land area to the East and West of the River the total is correct for the whole quarter section. No error has been made in the area of the quarter section when transferring them from the Surveyor's records to those of this Department.

It might be pointed out that the river in the quarter section is in a deep valley and that you may have only measured that portion of the quarter section East of the river, lying East of the edge of the valley, whereas the area on the official plan dated 15th December,1908, extends to the high water mark of the river and includes the broken hillside of the valley which might be difficult for you to measure accurately.

If your measurements were accurately made to the bank of the river it indicates that the river has changed its position since the survey, which is not probable, in the valley indicated on the township plan above mentioned.

Your obedient servant,

H.E.Hume,
Chairman
Dominion Lands Board.

Sir:

Re: Pre-emption Purchase - Soldier
W. J. Burland - S.V. - 4th Mer.
[illegible]

The above described land is the pre-emption of Mr. Albert Burland who has secured a loan from this Board.

On 22nd June, 1920, Mr. Burland called at our [illegible] office and made a verbal statement evidencing his desire to convert his pre-emption into Soldier patent in accordance with the privilege which was at that time accorded to settlers in similar circumstances.

The Clerk who interviewed him made a memorandum of this which reads as follows:

"The settler was willing to take advantage of his soldier home rights and file on his pre-emption as a soldier if [illegible]."

This clerk, however, omitted to take any further action with the result that the settler's desire was not brought to the attention of the District Superintendent and no steps were taken towards the consummation of Mr. Burland's rights in this regard.

Owing to the fact that the [illegible] regarding conversion of pre-emption into soldier patent was in force at the time of the application has not lapsed, Mr. Burland finds himself embarrassed by the fact that he could only secure title to his pre-emption on the payment of the regular dues. The clerk who interviewed Mr. Burland on the 22nd June, 1920, is no longer in our service, but our District Superintendent is satisfied that Mr. Burland stated his desire regarding the conversion of his entry at that date upon which the memorandum appears on our file, and had action been taken by us at that time to bring the matter to the attention of the pre-emption Officer of the Board, Mr. Burland would have participated in the privilege which was then prevailing.

In these circumstances, it has been deemed advisable to bring the case to your attention in the hope that your Department may be prepared to give special treatment to the case and to permit the conversion of the application for which had been made to you regularly and prior to the terms of the arrangement referred to.

It is, therefore, requested that you will take the case into consideration and at your convenience, advise me of the attitude of the Department in the matter.

Your obedient servant,

Secretary.

Dear Sir:

It would be appreciated if you could advise whether your records disclose any letters issued in the name of Eric Elmore Johnson, allegedly born in Arkansas, U.S.A.

Mr. Johnson is reported to have lived in one of the western provinces of Canada and to have no definite information as to the place of his residence. However, he has a son who was born at Calgary, Alberta, August 26, 1927, and it appears probable that he would have resided in the Calgary area.

ELIGIBILITY FOR SOLDIER GRANT ENTRY:

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force —

(1) of Canada — and has served out of Canada, or wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or

(2) of His Majesty or of any of His Majesty's Allies — and, being ordinarily resident in Canada when he enlisted or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,

(3) of His Majesty or of any British Dominion or Colony — and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force, or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows: —

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered, or until the morning of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received.

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board.

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which after having been posted in the manner hereinbefore described, has not been entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Your file No. 2039785

I have your letter of the 30th ultimo, and in reply would state that the above quarter section is located outside of the homestead lease area.

According to our records this land was patented to August Waldschmitt on the 25th of February, 1938, and is no longer under our jurisdiction.

This land is located in the Special Areas. Land in this area is under the administration of the Department of Municipal Affairs.

N.W. 20-27-6-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, [illegible] to report to this office. Having completed an investigation I am now in a position to report as follows:

In 1937 seed grain amounting to $104.00 was advanced to [illegible] on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 104.00	$ 239.96	$ 343.96

The N.W. 20-27-6-W4 was formerly the pre-emption of the debtor whose entry was cancelled on the [illegible] of May 1936. The land was re-entered upon and patent issued in the name of August Falkenhuitt for the S.E. 20-27-6-W4 on the 25th of February 1938 and there is no record of the lien having ever been registered against the land.

As the lien was never registered against the land and there is no further security for our advance, it is recommended that the indebtedness be cancelled.

A Certificate has been received from the Department of Militia and Defence setting out that this man was a member of the Canadian Expeditionary Force, that he enlisted at Youngstown on the 5th January, 1915, and that he was officially reported as having died of wounds at No.1 Canadian General Hospital, on the 4th June, 1916.

Hon. Deputy Minister of the Interior,

Ottawa, Ont.,

Dear Sir:

Mr. Edward Galvin, a client of mine, has today handed me a communication from the Department of Militia and Defence, dated April 2, 1909, wherein he is informed that a land warrant dated March 30, 1909, and bearing number 5637 entitling him to either two adjoining quarter sections of Dominion land, or script to the value of $160.00, has been issued to your department.

Mr. Galvin asks me my advice as to which proposition it would be most wise for him to accept. Before advising him, I wish to know what, if any, conditions attach to his accepting the land in preference to the script.

Is it necessary for him to occupy the land so taken? Is it necessary that the land be surveyed at once, and if so at whose expense.

Answers to the above questions, and any other information you are in the habit of giving to applicants will be duly appreciated.

Yours very truly,

Sir:-

I have had an interview with Mr. Torger Erickson who made entry for the South East 1/4, Sec. 1, Township 7, Range 10, West 4th Mer. As this quarter Sec. is very poor farming land Mr. Ericason wishes to make an exchange with me for the South West 1/4 of Sec. 23, Township 6, Range 10, W. 4th, which is included in Ranch No. 3580, and would make better farming land than the 1/4 Sec. which Mr. Torger has filed on. As the Department knows I have the balance of Sec. 1 leased which is included in Ranch No. 3877, it would be very convenient for me.

Therefore, we ask that the Department allow us to make the exchange by including the South East 1/4, Sec. 1, Township 7, Range 10, W. 4th Mer., Ranch No. 3877, and allowing Mr. Erickson to exchange his filings to the South West 1/4, Sec. 23, 6 X 10, W. 4th M., and remove his buildings.

Mr. Erickson entered for this land at Medicine Hat July 5, 1910.

We are respectfully,

Wd S.E. ¼ of 23--6--10--W. 4th M.
Included in T. McHugh's Manch. No. 3580.

Messrs. Wd McHugh and T. Erickson have written a joint letter asking that they be allowed to interchange their holdings for the reason that Mr. Erickson's homestead is not desirable agricultural land, and that the balance of the section in which Mr. Erickson is now located is included in Mr. McHugh's timber berth.

It would appear that the interchange would be a mutual benefit.

I do not see how the request can be granted as, under the regulations, the S.E. ¼ of 23--6--10--W. of the 4th Meridian, would have to be posted for ten days if it were withdrawn from timber berth, and I would recommend that their request be refused.

I beg to inform you that Mr. Maxwell Graham of the Dominion Parks Branch, is about to visit Township 7, Range 10, West of the 4th Meridian, for the purpose of securing the removal of the above mentioned settlers in connection with a proposed temporary reservation for antelope. Will you kindly arrange, if possible, to have a Homestead Inspector accompany Mr. Graham and secure from each one of the settlers proof of duties already performed. It would be advisable to have this proof taken on the regular form of application for patent, corroborated in the usual way by the sworn evidence of two witnesses. Mr. Graham also desires to secure the S.W.¼ of 12, but it does not appear from the file of this office that there is any entry in connection with this quarter-section.

The three parties whose names appear above have executed liens for relief and seed grain, and any transfer of their entries to other land would necessarily have to be subject to the transfer of the liens in each case.

Memorandum:-

J. C. Campbell, Esq.,
Seed Grain Branch.

Your memorandum hereunder shows that William Townsend owes a balance of $11.83 in connection with Seed Grain Relief, &c. Does the statement include the sum of $4.00 paid by Mr. Townsend, reported in the Agent's return of the 2nd ultimo? (see his letter of the 9th January, 1917, on File 1766184)

Application is made for a refund of the sum of $204.05 on behalf of Hans Hoel, and in Mr. Marr's letter (3897083) he states that Mr. Hoel owes for relief the sum of $75.00.

Your statement (see File 2039998) shows that Mr. Hoel is indebted to the Department for more money than has been received, and as Mr. Townsend has sold the improvements (see Ref.3871057 on File 1747181) to Mr. Hoel, and Mr. Townsend apparently still owes a balance to the Department, should not this balance be deducted from the sum of $204.05 paid for improvements and applied on Mr. Townsend's indebtedness for Seed Grain, Relief, etc.

Replying to your Memorandum of the 12th inst. I would advise you that the $4.00 paid by Mr. Wm. Townsend was not credited to him, and I have accordingly amended statement on further investigation. It would seem that the sum of $7.83, the amount due for the liquidation of Mr. Townsend's indebtedness, should be applied from the improvement money available, namely $224.05, before dealing with the case of Hans Noel.

MEMORANDUM:-

Mr. HUME,-

Mr. William Townsend's entry for the S.E.¼ of 9--9--10, West 4th Meridian, was cancelled. Re-entry has been granted for the land and $224.05 paid for improvements.

The report of Mr. Homestead Inspector Huntley of the 13th March, 1916, sets forth that the improvements are worth $216.00 and that Mr. Hans Noel claims that he is the owner of the improvements.

On the 9th February, 1917, the Agent of Dominion Lands, Medicine Hat, was requested to notify Mr. Townsend and Mr. Noel that $224.05 had been paid for the improvements, and that an application for a refund would receive consideration but it would be necessary for the two parties named to establish who was the actual owner of the improvements.

Reference 1871057 is a letter from Mr. William Townsend which reads in part as follows,-

"Those improvements were on the N.E.¼ of 9-9-10, but I moved them to the S.E.¼ to be near my well, but in selling the place to said Hans Noel the improvements were included in the deal and therefore he is entitled to all recompense."

In view of the foregoing do you consider Mr. Hans Noel the owner of the improvements which have been paid for and is he entitled to a refund of the sum of $224.05, and if so the amount should be applied on his indebtedness for fodder and relief amounting to $238.70 with interest.

Mr. Townsend still owes a balance of $7.83 for relief, and the Seed Grain Branch have stated that this sum should be applied from the improvement money available.

Do you consider that a requisition should be made out for $7.83 to liquidate Mr. Townsend's indebtedness and also one for $216.22 to be applied on Mr. Noel's indebtedness, or should the $224.05 be applied on the indebtedness of

Mr. Finn.-

Mr. William Townsend's entry for the [illegible] of [illegible], [illegible], was cancelled. Re-entry has been granted for the land and $234.05 paid for improvements.

The report of [illegible] Inspector Huntley of the 12th March, 1916, sets forth that the improvements are worth $210.00 and that Mr. Hans Noel claims that he is the owner of the improvements.

On the 9th February, 1917, the Agent of Dominion Lands, Medicine Hat, was requested to notify Mr. Townsend and Mr. Noel that $234.05 had been paid for the improvements, and that an application for a refund would receive consideration but it would be necessary for the two parties named to establish who was the actual owner of the improvements.

Mr. Townsend still owes a balance of $7.83 for relief, and the Seed Grain Branch have stated that this sum should be applied from the improvement money available.

By instructions Mr. J. W. Agar was informed that his application on behalf of Mr. Hans Hoel for a refund of the value of the improvements would receive further consideration if Mr. Hoel would send here an order from Mr. William Townsend to pay the amount, which should be stated in the order.

In the letter of Mr. Townsend of the 22nd instant he states as follows:-

"This is to certify that I sold my homestead with the improvements to Hans Hoel and as I had the buildings on my pre-emption so as to be near my well, the place was deserted before he could move the buildings therefore he is entitled to all recompense for the buildings on the South West ¼ of section 5, in tp. 18, being one hundred and forty dollars. MEMORANDUM.

[illegible]
Head Irain Branch.

[illegible]
William Townsend.

Mr. Townsend obtained letters patent for his homestead and pre-emption entry.

The sum of $[illegible] was collected for improvements made by Mr. Townsend on his pre-emption.

It was recommended by a member of your staff on the 14th January, 1913, that the sum collected be applied to Mr. Townsend's account in connection with the advance of Seed Grain under relief.

A statement of the account was prepared showing that the total indebtedness was $277.74. Interest being computed to the date of the receipt into the Department of the moneys paid for improvements effected by him on his former pre-emption.

The pre-emption was approved but before action was completed a remittance was received from Mr. Townsend and interest on the indebtedness charged to the date of Mr. Townsend's payment. The payment amounted to $[illegible]. No interest on the original account was charged only to the date of the receipt of the payment for improvements it would have been more than sufficient to cancel all indebtedness. It would appear that $6[illegible] might have been refunded to Mr. Townsend.

Mr. Townsend made a further payment of $4.00 and according to the last statement made is still indebted to the Department to the extent of $7.[illegible]

[illegible] advise me whether an adjustment could not be made on the original statement. (See memorandum prepared by your branch on the 14th January, 1913, file 174712).

[illegible]

Mr. Townsend obtained a portion of the moneys collected previous to the passing of this Amendment. This amount, being the value of the buildings which were subsequently moved on the pre-emption and paid for by the present holder of the land.

The patented homestead of Mr. W. Townsend the W quarter was sold to Mr. Hans Hoel, on which certain moveable improvements have been placed by Mr. Hoel and transferred by Mr. Townsend to his pre-emption entry the SW. quarter which has since been cancelled by Mr. John G. Evans.

The payment of $278.00 on account of Seed Grain and Fodder was made on the 28th. November, 1916 by Mr. Townsend per R.B. Beattie, evidently to clear title to the homestead entry, of which letters patent was forwarded to the Registrar at Calgary on the 16th. April, 1913.

On the cancellation by Mr. Evans of the pre-emption entry the SW. quarter, he paid the sum of $216.00 and $8.05 interest for improvements, of this amount $140.00, the moveable improvements transferred from the patented homestead entry the NW. would appear to be the property of H. Hoel.

The balance $84.05 on improvements on the pre-emption of Mr. Townsend, I presume may now be applied to Seed indebtedness, and as this will create an overpayment, suggest after first a plying the improvement monies a ment, that a refund be made from the Seed Grain payme

Re: S.E. 1-7-10 W4th Mer.

A Homestead Inspector attached to this office recently called upon you with reference to the balance owing for seed grain, feeder, and relief given in connection with the above land, and it appears that you are under a misapprehension regarding your account. The total amount of the liens given by you in connection with this land originally amounted to $238.70. In December 1916 there was transferred to the credit of this account the sum of $217.80 being a transfer from the account of William Townsend, the amount paid for improvements on the South West quarter of Section 9, Township 9, Range 10, West of the 4th Meridian, leaving a balance due on your seed grain account of $33.88 which amount with interest to the 31st instant amounts to $51.87, so that you see you have been given credit for the amount paid by Mr. John G. Evans for improvements on said South West quarter of Section 9, Township 9, Range 10, West of the 4th Meridian.

Mr. Townsend said his seed grain account outstanding against the North West quarter of Section 9 and the discharge has been issued.

I would, therefore, be pleased to be advised as to when you expect to be in a position to make payment of the small amount outstanding on your account.

Dear Sir:

Re: S.E. 1-7-10-W.4th.

This Department has an old account against the above noted land for advances of seed grain, relief and fodder to Hans Hoel in 1915 and 1916. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

Re: Account of Hans Hoel

S.E. 1-7-10 W. 4.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain, fodder and relief amounting to $238.70 were advanced to Hans Hoel on the security of the above mentioned land. A payment of $217.80 was received in 1916 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$ 33.88	$ 65.30	$ 99.18

Patent was issued in the name of William Townsend for the N.W. 9-9-10 W.4 on the 12th of March, 1913, and later became subject to the advances obtained by Hans Hoel in 1915. The S.E. 1-7-10 W.4 was formerly the homestead entry of the debtor whose entry was later cancelled and the land is still unalienated Crown land held in the right of the Province and is presently included in a reserve for an Antelope Park.

Payments amounting to $217.80 were received by 1916, leaving only a small balance of $33.88 outstanding.

In view of the substantial payments already received it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

Greenridge P.O., Man."

The Certificate of the Militia Department has been compared with the application for entry, and identity is clearly established.

The Seed Grain Branch report no record.

Mr. George E. Millar, brother of the late entrant, has written the Department in reference to a patent for the land.

There appears to be no reason why a patent should not now be prepared for the above quarter-section in the name of the deceased entrant.
